Commissioner for Patents
P.O. Box 1450
Alexandria VA, 22313-1450.

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Information Disclosure Statement be entered and the documents listed on attached Form PTO-1449 be considered by the Examiner and made of record. In accordance with this Office's waiver of the provision of 37 CFR 1.98 (a)(2)(i) for submitting copies of U.S. patents for patent applications filed after June 30, 2003, no copies of the US patent references are included. See 1276 O.G. 55. Copies will however be submitted upon request.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b), or that such information constitutes prior art.

Applicants would like to bring the Examiner's attention to cited reference A (US-2002/0091708-A1 to Voss et al.), which has application serial no. 09/990,583 ("the '583 Application") filed 11-21-2001. Applicants do not believe the '583 Application is "material to patentability" with respect to the instant application. Nevertheless,

Applicants wish to bring the '583 Application to the Examiner's attention because the '583 Application describes related subject matter to the instant application. The art of record in the '583 Application has been provided on the enclosed PTO Form 1449.

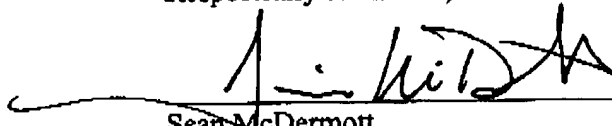

Fees

The present Information Disclosure Statement is being filed concurrently with a Request for Continued Examination, and hence is believed to be timely filed in accordance with 37 C.F.R. § 1.97(b). No fees are believed to be due in connection with the filing of this Information Disclosure Statement. If for some reason a first Office Action has issued on the above application, the undersigned representative requests that this Information Disclosure Statement be accepted under 37 CFR 1.97(c)(2), and the undersigned authorizes the charging of the fee due as set forth in 37 CFR 1.17(p) to Deposit Account No. 501922, referencing matter No. 149-0046US.

Applicant respectfully requests that the listed documents be considered and made of record in the present case, and that the Examiner initial the appropriate spaces on the Form 1449 to evidence the same

Respectfully submitted,
